BradyRenner: Partners in Growth for Your Business

Welcome to **BradyRenner**, a comprehensive and strategic public accounting firm built to meet the needs of small businesses and their owners.

Our team of expert professionals is committed to helping you achieve your business goals, through effective counsel, comprehensive support and up-to-the-minute expertise.

Clients choose **BradyRenner** because of our unique combination of services, expertise, industry knowledge and — most importantly — the values we commit to every day.

Values

Values That Our Clients Appreciate

At **BradyRenner**, our commitment to four core values shapes everything we do. We believe that by establishing a clear vision for our client relationships, we can confidently deliver the highest quality service. These are the values that drive BradyRenner:

- **Active**

We love what we do, and who we do it for.

- **Approachable**

Down-to-earth answers to your most pressing questions.

- **Available**

Real, live people answer our phones. And emails. And even our door.

- **Accountable**

We're transparent. What's ours is yours.

Solutions

Solutions for Growth-Oriented Small Business Owners

We know that most business owners have their hands full every day, managing an endless array of priorities from customer service to employee recruitment, and from payroll to operations. That's why our solutions are designed specifically to support small businesses.

- **Bookkeeping** - *Get your books done right. Right now.*

BradyRenner will work with you to develop a set of comprehensive bookkeeping services customized to meet the needs of your small business, including:

- > Managing deposits, payables and receivables
- > Bank account reconciliation
- > Maintaining vendor records
- > Accounts receivable (A/R) and accounts payable (A/P) support
- > Tracking expenses, sales taxes, and loans

- **Accounting** - *We'll help you know your numbers.*

Our accounting services begin with an assessment that allows us to evaluate the current status of your accounting. We then tailor a set of accounting services that may include:

- > Review of chart of accounts, accounting software and accounting processes
- > Management of cash flow, fixed assets and more
- > General ledger maintenance
- > Assurance and attestation
- > Monthly, quarterly and yearly reporting

- **Tax Planning** - *Actually feel prepared for your taxes.*

One of the most critical obligations for every small business owner is to effectively prepare for and file accurate tax returns. Our tax planning services include:

- > Tax planning for the business and its owner(s)
- > Calculation of estimated taxes
- > Preparation of federal, state, local and other tax returns
- > Evaluation of tax strategy for multi-state entities, entity structure, etc.
- > Tax audit preparation and support

- **Consulting** - *Learn how to make your business grow.*

In the world of small business, it is critically important that every financial decision be made with a clear strategy in mind. **BradyRenner** consulting services include:

- > Business entity planning and selection
- > Accounting system design and analysis
- > Pricing, cost management and capital investment strategies
- > Maximizing utilization of resources
- > Exit planning and M&A strategy

As a small business operating in the federal space, it is essential that we have the proper accounting setup. Through the exemplary support of BradyRenner, we have an accounting structure that both meets and exceeds government and customer requirements. The knowledgeable, professional and experienced folks at BradyRenner have taken what was an initial nightmare for us and made it seamless."
