

Esteban

Help him find a permanent family!

Esteban is a calm, affectionate, and social 13-year-old boy living in a foster home in Colombia.

He is a good student in his 7th grade class and is very focused and respectful with his teachers. Esteban loves playing soccer, reading, drawing, and playing with animals! Esteban also likes to play board games and he loves spending time with his friends.

He is described as a caring, friendly, and collaborative boy with everyone around him. In the future he dreams of “having the power to create change and help people,” and he also wants to do lots of traveling!

Esteban hopes to find a family that will give him security and love.

Esteban will be in the DC community from June 28th to August 1st. Come meet Esteban while he is still here!
